DETAILED ACTION

Allowable Subject Matter

1. Claims 1-9 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest a test circuit for identification of locations with low speed performance having pairs of serially connected fourth switch and third inverter, each coupled between the first and second inverter of one of the units in a first column; and pairs of serially connected fifth switch and fourth inverter, each coupled between the second and first inverter respectively of a last and first unit in a same column, as recited in the independent claims 1 and 5 and in combination of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
